

# Implementation of the Supports Intensity Scale® (SIS) for persons with Intellectual or Developmental Disabilities Residing in Intermediate Care Facilities for Persons with Intellectual Disabilities (ICF/ID)

This **FREE** workshop will provide new information about the implementation of the Supports Intensity Scale® (SIS) for persons with Intellectual or Developmental Disabilities Residing in ICF/IDs.

## Objectives:

- Become familiar with the topics covered by the SIS.
- Learn who can be respondents for the SIS.
- Learn how to prepare a resident and family members to be respondents.
- Understand a SIS report for use in service planning.
- Know contact information and processes for the Core Standardized Assessment team.

## Audience:

The target audience includes all staff caring for intellectually or developmentally disabled residents residing in ICF/IDs.

## Presenters:

**Pat Johnston** is the Program Manager of the Iowa Medicaid Enterprise (IME) Balancing Incentive Program (BIP) and has served in the capacity of IME program lead since June 2013. She is responsible for the overall coordination of the core structural reforms required of BIP grantees which includes efficient access to service, consistent and fair assessments and conflict free case management protocol development. Pat has a Master's degree from the University of Iowa. Prior to her return to Iowa in 2011, she had worked health care systems development/reform efforts in Colorado.

**Vicki Vermie**, LISW, has 34 years of experience working with persons who have disabilities. Her experience includes implementation of mental health programs for the Department of Human Services including Habilitation, Remedial Services, Rehabilitation Services and Supports and Adult Rehabilitation Options. Her work for the IME has included evaluating service plans for members with intellectual, developmental and physical disabilities and mental health concerns.

**Cindy Fletcher**, RN, has 30 years of experience working with persons who have disabilities. Her experience includes supervising nursing staff within facilities and completing face-to-face assessments of Medicaid members seeking waiver and facility services. Her work for the IME has included working collaboratively with case managers and service workers to improve assessments and service plans.
